NEW!
RPA™ ELITE

From the makers of the industry-leading RPA™ Projector Mounts

INTRODUCING

RPA™ ELITE

IDEAL FOR: OFFICES, SCHOOLS, BOARDROOMS HOUSE OF WORSHIP, HOMES

THE NEXT GENERATION IN MOUNTING SOLUTIONS

Focusing on speed of installation, the all-new RPA™ Elite Series of custom and universal projector mounts were designed as a first-class upgrade to the industry-leading RPA Series.

RPA Elite includes the same great features as the RPA Series, such as:

- Independent Roll, Pitch and Yaw
- Integrated Cable Management
- All-Points™ Security

A NEW, REVOLUTIONARY DESIGN

Unique features have been added to further improve ease of installation for the installer, and simplify service for the end-user, including:

- MicroZone™ Micro Adjustments
- Q-Lock™ Integrated Security Locking Lever
- Centris™ Technology for effortless fingertip adjustment

SPEED CONNECT ACCESSORIES

Plus, select from a new line of Speed-Connect™ accessories that are guaranteed to speed up installation times.

end-user focused   proven quality   faster installation   superior support
